Dean G. Payne
(Signature) RPEQ 4802

We Heilbronn & Partners Pty Ltd, Cadastral Surveyors hereby certify that the "As Constructed" information contained in this drawing is accurate, we accept responsibility for and acknowledge that the "As Constructed" information contained in this drawing may be relied on by Council and others.

Heilbronn & Partners Pty Ltd
Cadastral Surveyors & Director

- NOTES:**
- 1) All pipes are uPVC Class 16 u.n.o.
 - 2) Trench construction and cover over mains is in accordance with STD DRG No. 8-40010.
 - 3) Concrete thrust blocks and anchor blocks are placed at all bends and fittings. Thrust block sizing is in accordance with STD DRG No. 8-0006.
 - 4) Road crossings are DI/CL class K9 with minimum cover of full depth of road pavement plus 150mm.

Warner Lakes For PEET

IMPORTANT NOTE: (These notes are an integral part of this plan)
This plan has been prepared to MEBC standards, for the purpose of meeting the PEET Council's needs. It is a working document and is subject to change. Council Approval and should not be used for any other purpose.
No report is made on any other work, nor any work that may be done or is to be done after the date of drawing, or construction under any other approval.
The project is a preliminary design and is subject to change. The Engineer may be required to amend and update the plan to the Council of Engineers and Surveyors Management, and property information should be determined from the appropriate Survey Office.
All dimensions should be verified and confirmed against the latest information prior to commencement by any person using this plan for building purposes.
Heilbronn & Partners Pty Ltd accepts no responsibility for any changes made to construction or alterations, after the date of this plan. Any discrepancies should be identified during the construction phase in consultation with the relevant Authority prior to commencement of the work.

THESE DRAWINGS AND DRAWINGS ARE COPYRIGHT AND ARE NOT TO BE USED OR REPRODUCED WITHOUT THE WRITTEN PERMISSION OF THE ENGINEER.
